

A clear and easy-to-follow blueprint for setting up your Sole Proprietorship.

A sole proprietorship is both the simplest and the most prevalent form of business organization. An important reason for this is the simplicity of organization of the sole proprietorship. The sole owner makes all decisions in this type of business, and it is the least regulated of all businesses. There are also various tax benefits available to the owner, including the double taxation of corporations.

Everything you need, including...

- Business Accounts Documents
- Financial Recordkeeping Documents
- Payroll Documents
- Business, Financial & Marketing Plans
