We are enjoying good health and retirement. Planning to go to Florida next summer with grandchildren to Disney World in Orlando. Looking into other travel plans as well. Enjoy reading the newsletter. It keeps bringing back many fond memories he keeps us informed of what some of our former coworkers are doing. Keep up the good work.

Hi I am doing great as in health wise, just got back from a week vacation from Michigan. Just hit 92 years. Thanks for keeping me in touch!
A quick review of the year 2010, shows that the year provided my family with some ups, and downs.

The highlight of the year was the birth of Kristen Diedrich, only the 2nd grandchild in our family tree. Born in September, she "tiptoed" in a few ounces over 9 pounds. Her big brother Evan, turned 5 the next month. They are the children of our youngest son Doug, and wife Bridget. Being born in the 30's, it was a long wait for Doris and I to gain the pleasures of grand parenting. On the dark side, Doris suffered a stroke in August, but has recovered beautifully. As she says, I'm just a little bit slower, and a little weaker; but otherwise fine.

A second negative occurred in November, when Doug came out of church, and fell and broke her leg. It was a bad break so Doug, and us grandparents have some added duties until Bridget gets off her crutches. A winter escape to the south or west are not in our plans. Feeding a baby at 3 in the morning happens occasionally, and is not the highlight of the day. I guess it's a little like riding a bike again. One remembers how, but it's not high on my list of favorite things to do. By spring, things should return to normal, and golf will again become my source of fun things to do. The winter months are highlighted by gin rummy twice a week at the club, reading, and following my favorite sport teams on TV. At the end of January, Doris and I will celebrate our 58th wedding anniversary. In closing, our thanks to the officers and staff that put together the fine newsletter. We look forward to the letters and pictures from former co-workers and friends.

The effort the Staffers of the Lakeside Press Retired Employees Club put in each month (after month, etc.) makes reading each new issue a reminder of their dedication and the super results they achieve. Bless you all! The time passes very quickly down here in the friendly confines of John Knox Village and finding familiar names in each issue "kicks the memory bank" into gear and chuckles go right along with smiles … each is a reminder of the great gang of people I was fortunate to meet while at RRD. Many are the times Mary Ellen and I reminisced about the people on the old 6th floor and that would trigger a 3-way phone call to Leo Herkert back in Chicago. More laughs made the calls pass all too quickly. Anyway, thanks again and keep up the great job.

Had an exciting weekend, had a headache for four days. I went to the emergency room early last Friday and had a scan and blood test. Had a problem and was sent by ambulance to a hospital in Asheville. Was operated for a subdural hematoma, bleeding in the brain. A great Doctor, All went very well and only spent three days in the hospital! Doing very well, no problems.

Enclosed please find my check for my 2011 dues the best %00 investment I've ever made. Barbara and I are doing well for our ages and that is something to be thankful for. I received a call last month from Eleanor Herkert telling me that her husband, Leo had died. He was one of my very best friends at RRD and I know everyone who knew him felt the same. He was a Keyboard Operator in Dept. AS and later in Dept. BE.

Dave Zibton  Chicago (A)
Thanks for your good work. Even though my dad Conrad J. Zibton has been gone for six years, my mother Sally, at 95 still enjoys reading the retirees letter. Here is payment for two years. Hello to my friends from department A.

Robert G. Mahnke  San Antonio, TX  Corporate (Sales)
Dear Gene, This has been an interesting year. Nancy and I have been well with few health problems to deal with, and after celebrating our 80th birthdays at year's end, we took a river boat trip in France and Germany. Spent a week in Upper Michigan in August to cool off from South Texas' summer heat and have pretty much stayed home since then. If all goes well, we are going on a cruise on the Amazon River in March of 2011, with not much planned for the rest of next year. We did have a nice "first" living here in San Antonio, when George Wenrich, his wife, Nancy and I got together for lunch, while they were visiting relatives here in San Antonio. We had a nice chat and enjoyed their visit. Do hope that others heading for the Texas Gulf Coast will stop by and say hello. We hope all you all (that's Texas talk) are enjoying your retirements, seeing the world, and doing the things you like to do. Thanks to all who participate in running the Retirees Club and publish the Newsletter. You do a great job. Stay well, take care, and enjoy the holidays. P.S. A $5.00 check for my 2011 dues is enclosed.

Bernie Johnson  Old SayBrook, CT  Chicago, Crawfordsville, Old Saybrook (several)
I retired in 1992 and have outlived the Old Saybrook Division! Jane and I have eight grandchildren, whom we see often and still enjoy golfing at the local Fenwick Course. We will celebrate our 50 wedding anniversary in December, 2010, and must say that we are continuing to enjoy our retirement years in the beautiful and historic town of Old Saybrook, Ct.

At the November luncheon, **Doug Fitzgerald** was the speaker. He talked about the Lakeside Classics. He said that in the January 2011 issue of Fine Books and Collections, there is going to be an article about the classics. You can check it out at:

Dear Mr. Benes, Enclosed please find my check for $20 to cover "retirees dues" for a couple of years. I do enjoy the bi-monthly newsletter and would like to help out a little. I already get it electronically from the RRD website so you really don't need to send a hard copy. I basically spent my RRD years in Warsaw and Spartanburg. Six of us were the start-up team in Spartanburg, an unbelievable experience to say the least. I finally wound up at Modus Media, (now ModusLink) here in Raleigh. Modus was the "spun-off" unit of the Technical Documentation Services from Crawfordsville. Terry Leahy, a former RRD gravure catalog salesman put the entire Modus deal together. I grew up not far from you in Palos Park and went to school at Carl Sandburg in Orland Park. I did have relatives in Hinsdale and still have a sister-in-law in Lombard. I did, however, defect to the Hoosier state to do a four year tour at Purdue and then a lot of years in Warsaw.

I thought it would be nice to have a photo of RRD retiree Helen Sertich's 98th Birthday Party in the Newsletter. Helen was born on Dec. 24, 1912. She started at RRD in the Chicago bindery in 1929 and worked for 48 years until retiring from corporate in 1977. Helen is still living independently and doing well. She would like to say hello to all of her old friends and she very much enjoys the Newsletter.

Bottom Row, L to R: Helen's sister, Mary Tropcich and Helen Sertich.
Top Row, L to R, Helen's Nieces: Michell Linden (RRD retiree), Janice Rucinski (ex-RRD employee), and Stephanie Stoich.

The Nifty Fifty Plus Club met on November 16th at the Golden Corral for our luncheon with 75 retirees attending. (This is a new record.) The weather was cloudy and in the mid 40's.

Sam Brown, the Club's President, opened the meeting by thanking everyone for coming. He said that he was happy to see so many attending. The first time retirees attending were Terry & Rainelle Dowell, Howard & Shirley Frantz, Dennis & Terry Miller, Larry Cripe, and Rex Reid. We hope they enjoyed their visit and will return soon to lunch with us again.

We listened to Caroline Shatto, of integrated Financial Services, give us an update on the Medical and Prescription Drug plans. If you would like for her to help in making your decisions on these plans call her at (866) 436-2011 to set up an appointment. She comes to Warsaw every Thursday.

Next month we will have a short speech by Brad Skiles, an investment representative, informing our group on retirement investing. If enough are interested then they will set up an hour long meeting at RRD classroom and go into more details.

We had two attendees this month celebrating their birthdays - Rex Reid and Margaret Black. We all wish them many more!!

Mary Rock, our Treasurer, gave us her report as follows: Beginning balance $2277.12; receipts $441.50; expenses $441.28; ending balance $2277.34. Mary is again asking for all that can to send in their reservations ahead of time. It helps with the congestion on the Luncheon day. We again voted to-donate $500.00 to the Angel Tree Children's Christmas gifts sponsored by RRD. They purchase warm clothing and a toy for needy children in the community.

The Christmas Party is again at Amish Acres on December 5th this year. The Retirees that didn't get their tickets at our luncheon today can get them from Human Resources by going in the main lobby. Plays are Cinderella at 12:30PM and Forever Plaid on 4:00PM. Our retirees are helping out as ticket takers at the party.

Mark Swinger then led us in prayer.

Harry & Elaine Langford wrote: "We continue to winter in Rosarito, Mexico, just 26 miles south of the US border below San Diego. We are here, near our sons in San Diego, about 7 months of the year. Our region of Mexico is as safe as Warsaw or Winona Lake. The people down here are great and the food is wonderful and cheap. 'Hi' to all our friends and retirees."

Have you looked at the Lakeside Retiree Club website lately?

The URL is: http://www.rrd.com/wwwLakesideRetireeClub/home.asp

Look around and click on the tabs, you can see the Newsletters that have been archived in color, and current club events. There are several discount offers from Dell and Apple.
The Nifty Fifty Plus Club met on December 21st at the Golden Corral for our luncheon with 57 retirees attending. The first day of Winter was cloudy with a slight mist in the air and in the high 20’s. We have about two inches of snow on the ground.

Sam Brown, the Club's President, opened the meeting by thanking everyone for coming. He said that he was happy to see so many attending. Elaine Enders-Long, (Tom Long's wife) came to our luncheon for the first time. We were also happy to see Lynn Shipley and Steve & Becki Davis again. We hope to see them again at our meetings.

Brad Skiles, an insurance and investment representative, gave a short talk on how money came into being used. He handed out wooden beads which were like the first kind of barter used with the Indians. He will go into more detail and answer questions about investments if enough are interested. A session will be booked in the RRD Classroom.

We had four attendees this month celebrating their birthdays - Fred Miller, Jr, Robert Savage, Tom Holderread, and William Brown. De Esta Baker sent a card to the group and wanted us to put her birthday back on the list - December 21st. So may you all have many more!

Mary Rock, our Treasurer, gave us her report as follows: Beginning balance $2277.34; receipts $657.30; expenses $560.95, and we donated $500.00 to the Angel Tree; ending balance $1873.69. Mary said that she received over half of the attendees' money before the meeting and wants to thanks all of them that sent in their money early. It really helps with congestion on luncheon day.

There were 161 kids receiving "Angel Tree" gifts this year. They included a jacket, pants, shirt and some food. $39.00 approximately was spent on each child.

Mark Swinger entertained us with some short notes from children that were wrote to God.

Its the time of year that you need to send in your $5.00 dues. This is a token amount just to let us know that you are interested in receiving the "^Newsletter". We send out approximately 300 each month and are fortunate that RRD pays for the paper and postage.

Mark then led is in prayer.
Congratulations to Jerry & Vicki Martin on their 40th Anniversary, Jerry worked for RRD for 39 years, retiring in 2006.

Mary D Silveus died on November 30th at Simi Valley, CA. Also, Mary H. Apeland died December 1st at Glen Allen, VA. Mildred Harriet Gard, (Fay Iden's mother), passed on December 6th. Our thoughts and prayers go out to all of their families and friends.

Fall Luncheon
On a cold blustery January day (Jan 11, 2011) 12 retirees showed up for breakfast at the Village Inn Restaurant. Per usual, we told each other stories of what was happening in and around Harrisonburg. Two new members - **Bobby Morris and Larry Baugher** - joined us. The next meeting will likely be held on February 8 in the lunchroom of the Harrisonburg plant ... so retirees don't miss this opportunity to see what's happening in our old book making grounds! Below are pics of some of the longer term members of our retiree club.

Hi there, just a few lines for an update on the Slepski clan. On Oct. 1, **JoAnne** and I celebrated our 50th wedding anniversary. The Bishop of Nashville had the Mass and our kids threw us a wing ding at our Parish hall. Lots of memories and fun - the joint was jumping. A group of Gallatin retirees are meeting on the 2nd Wed. of the month for lunch at Cracker Barrel. The group is small but growing - lots of war stories get chewed up with the dumplings and corn bread.
