Certificate of Compliance

In accordance with your request, we hereby certify that any and all uncoated free sheet printing and writing grade paper that we sell conforms to the CONEG Model Toxic Law. Specifically:

1. We certify that the regulated metals – lead, mercury, cadmium, and hexavalent chromium -- were **not intentionally added** to our paper during the manufacturing process. And
2. We further certify that the **sum of the incidental concentration levels** of lead, mercury, cadmium and hexavalent chromium present in any package or package component **does not exceed 100 parts per million** by weight. This certification is based on testing of our products in June 2006.

Please feel free to contact me if you need additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Judith A. O'Brien".
