Dear Andy:

Please accept this correspondence as Flambeau River Papers response to your request in regards to compliance with Consumer Product Safety. Flambeau River is committed to ensuring that all products are safe for our customers and the environment as well as consistent in quality.

Flambeau River's products are compliant with H.R. 4040: Consumer Product Safety Improvement Act of 2008, in regards to lead limits (Total Content by Weight) as well as the following Phthalates:

di-(2-ethylhexyl) phthalate (DEHP)
dibutyl phthalate (DBP)
benzyl butyl phthalate (BBP)
diisononyl phthalate (DINP)
diisodecyl phthalate (DIDP)
di-n-octyl phthalate (DnOP)

Flambeau's products are also complaint with the Coalition of Northeastern Governors (CONEG) and Toxics in Packaging Clearing House (TPCH) Legislations. All products meet the requirements set forth for Lead, Mercury, Cadmium and Hexavalent Chromium.

Flambeau also states that all products sold under normal conditions of shipment, storage, or use, will not cause any person to be exposed to a chemical which is a carcinogen or a reproductive toxin listed under the California Safe Drinking Water and Toxic Enforcement Act of 1986 (CA Prop 65) in quantities which would require that a warning be given prior to such exposure under the Act.

A handwritten signature in black ink, appearing to read "M. J. Bosin", is written over a light grey circular stamp.
