Premium X-Stand Banner
Art Spec Sheet

24"

70"

Portable, lightweight design. For all types of indoor events.

Quick set up.

Stand: Fiberglass & Plastic construction.

Banner Material: 13oz. Ultra smooth vinyl with block out gray backing.

TRIM Area: 24" wide by 70" tall

For BLEED please add 0.125" beyond crops all around
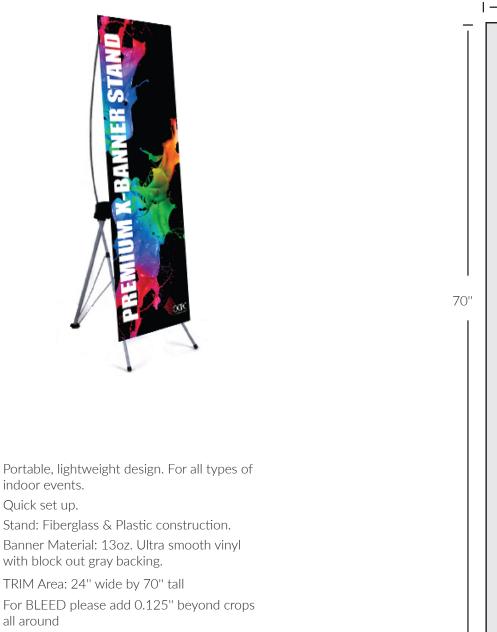

We accept a minimum of 150 DPI, but 300 DPI is ideal for best results.
Please define CMYK color profile on all art and links (including grayscale art).
This allows OCPC greater control on the output of your image.
