Chicago (A-AT-AS-MK-MRP-CP-RP)

Our old Dept, Dept AS is trying to come up with a get together. This would be the third time and some people are missing. Two names off hand are Guy Scobbie and Ed Neilsen. If you can help contacting them it would be greatly appreciated. Giving out my e-mail or phone number would be acceptable, rcirclej@sbcglobal.net or 847-827-7801. Guy got into management in Chicago and Ed was a router.

Thanks, Bob Jaegers

I would really miss getting the news you provide. A great big thanks to all involved in getting the letter out. Hard to believe it has been almost 10 years that I've been retired. Been so busy I don't know where I found the time to work.

Lyle E. Schmidt  Crawfordsville, IN
Corporate/Crawfordsville (Book Sales/Cust Serv.)

Krohn has been in serious condition the past 3 months, and spent a couple weeks in ICU down in Florida. When I talked with son Brad a couple weeks ago, they hoped he was improving enough to bring him back to Crawfordsville. It did not happen. Read his obituary in at: www.journalreview.com He and Betty moved to Florida several years ago to take care of her mother. Well, "Mom" is 103 and doing fine. They moved her back to Crawfordsville about two months ago! I forget when he came down here from Chicago; I am guessing it was 1966, but maybe 1967. He was a good guy and a friend. I always think of the Canadian trip some of us made, back in 1970 or '71, and Gil sat in the back of the station wagon strumming his ukulele and singing ditties. What fun.

Stewart Passed away peacefully April 16, 2012 in Winnetka, IL. Born in Chesterton, IN on July 14, 1920, he and his family moved to LaPorte, IN in 1934, after the death of his father. Stewart worked 3 jobs simultaneously to put himself through Indiana University and enlisted in the military immediately after Pearl Harbor, his senior year. After OCS, he went on to serve 4 years in the United States Marine Corps, including 2 years in the Pacific Theater as a company commander. He was a member of the first armored amphibian battalion ever to serve in the corps, and was assigned to command B Company. At the age of 23 Stewart led his men through 3 first wave landings in the Marshall Islands, Guam and Okinawa. Marrying Margaret in LaPorte in 1946, he began his career in advertising and consulting, ultimately retiring from R.R. Donnelley and Sons in 1982. Once in retirement, Stewart purchased an Apple IIe and set about writing his "Recollections of World War II", a copy of which was proudly presented to each of his kids and grand kids. He and enjoyed extensive travel throughout Europe and the U.S. For several years he capably commanded the supply department for the Winnetka Congregational Church rummage sale. An avid golfer and curler, was a 41 year member and former president of the Chicago Curling Club. As a Skip, he shepherded his rink to numerous victories, even using a whistle to communicate after throat cancer left him with less than his usual deeply resonant voice. At the advent of the public Internet, made two exciting discoveries. The first being the ability to research family genealogy on line and the second, more recent, that his former tank battalion had a website and had been holding reunions for several years. He and Margaret were pleased to be able to attend one or two and get to know his former comrades, many of whom had been teenagers during the war, in their older years. A 58 year resident of Winnetka, Stewart is happily reunited with his beloved wife Margaret, his parents G.E. and Mary Stewart Carlson and his brother Keith. He is survived by his loving children, Harvey (Laura), Melinda, and Melissa Herron, and his devoted grandchildren, Kevin and Daniel Carlson and Patrick and Margaret Herron.

Charles C. Haffner, III Chicago, IL
Corporate
Passed at age 83, April 30, 2012, husband of Anne, nee Clark; father of Ted (Mirja) Haffner and Will Haffner; grandfather of Caillum and Henry Haffner; brother of Clarissa (Henry) Chandler, Frances (the late I.W.) Colburn and Phoebe (Lucius and the late John M. Kellogg) Andrew, III.

Charles C. Haffner III devoted his professional career to R.R. Donnelley & Sons Company, founded by his great-grandfather—and his philanthropic career to books, art, education, and nature, bringing an extraordinary level of dedication and leadership to organizations and institutions that reflected his principles and his passion. A graduate of Phillips Exeter Academy and Yale University, Charlie was the son of World War II hero Major General Charles C. Haffner, Jr., and he himself served as a First Lieutenant in the U.S. Air Force in the early 1950's. He died April 30 at the age of 83.

After helping establish the Newberry's Associates Council, Charlie joined the Newberry Board of Trustees in 1972. Just three years later he became the Board's vice-chairman, and in 1988 he took the helm as chairman, thus beginning one of the most important periods in the library's history. It was notable for a long-range planning process that created a vision for the institution's future, and that resulted in the launch of a $20 million capital campaign. Successfully completed in 2001, the campaign enabled the Newberry to stabilize its financial foundation and reach a much larger audience through enlarged public programming.

As part of the campaign, Charlie himself contributed the resources to clean the Newberry's Cobb Building and restore it to its original beauty and luster. Here was a gift that has benefited not only the Newberry itself but everyone who passes by on Walton, Dearborn, or Clark.

Throughout his remarkable 40-plus-year relationship with the Newberry, Charlie quietly but enduringly employed his unshakeable commitment, boundless generosity, and wonderful wit and sense of humor to advance the Newberry's cause. We are deeply saddened by his passing, and he will be greatly, and always, missed.

Chicago/Old Saybrook/Lancaster (Financial)  
Hello to all. Barb and I are still living in Lancaster and enjoying the good life. Four of our children and their families also live in Lancaster, while the other two live with their families in Philadelphia and Massachusetts. Lord willing, we will be celebrating our 55th wedding anniversary in October. We have been living in Lancaster for the past 40 years, after 8 year stays in Chicago and Old Saybrook. The days working in the Research Foundry in Chicago seem sooooo long ago, but they were a great start to a fantastic career. Thanks to all of those old guys who whipped me into shape through my apprenticeship, and helped me to grow up… Wally Boden, Dolph Jansma, Ken Brown, Herbie Walker, Hank Sykora, Ralph Glaza, Ed Reuter, Bob Martinique, Jim Wainer, Alex Gawenda, Ray Karling, and all the others whose names escape me now.

Chicago / LA (C – D – LA Press)

On April 25th, my youngest brother Dave, a retired Illinois fireman, drove out from his home in Berryville, Arkansas to visit me. We went to Portillo's in Buena Park, California, for some great Chicago style beef sandwiches. John (Bill) Tresp (WB) came with us. Dave was surprised to find the number of Chicagoans there, enjoying the good foods we really miss. We had a nice visit, although it was too short. On his drive back home, Dave also stopped to visit our brother Bill in Phoenix, Arizona.
God: grant me the senility to forget the people I never liked anyway, the good fortune to run into the ones that I do, and the eyesight to tell the difference.
Now that I’m older (but refuse to grow up), here’s what I’ve discovered:

ONE - I started out with nothing, and I still have most of it.
TWO - I finally got my head together; now my body is falling apart.
THREE - Funny, I don’t remember being absent minded...
FOUR - All reports are in; life is now officially unfair.
FIVE - If all is not lost, where is it?
SIX - It is easier to get older than it is to get wiser.
SEVEN - Some days you’re the dog; some days you’re the hydrant.
EIGHT - I wish the buck stopped here; I sure could use a few...
NINE - It’s hard to make a comeback when you haven’t been anywhere.
TEN - Only time the world beats a path to your door is when you’re in the bathroom.
ELEVEN - If God wanted me to touch my toes, he would have put them on my knees.
TWELVE - When I’m finally holding all the cards, why does everyone decide to play chess?
THIRTEEN - It’s not hard to meet expenses... they’re everywhere.
FOURTEEN - The only difference between a rut and a grave is the depth.
FIFTEEN - These days, I spend a lot of time thinking about the hereafter...
I go somewhere to get something and then wonder what I’m here after.

SIXTEEN - UNABLE TO REMEMBER IF I HAVE MAILED THIS TO YOU OR NOT.
Blessed are they who can laugh at themselves, for they shall never cease to be amused!
Tips To Prevent Falls

1 in 3 older adults will fall this year
DON'T LET THIS BE YOU!

Here are some things you can do to reduce your risk of falling:

- **Medication:** Review the effects of medications and effects of alcohol consumption with your health care provider.
- **Balance:** Engage in regular balance and strength building activities.
- **Home Safety:** Identify and correct falling, slipping or tripping hazards.

The risk of falling dramatically increases with age. If you fall, always let your doctor know.

USING BAKING SODA

Great-grandmother didn't clean compact disks with baking soda, but you can. She did use it to scrub the house top to bottom, and today, even with plenty of manufactured specialty cleaners touting improved formulas, baking soda still shines. Cleaning compact disks is just one new job for the little box of sodium bicarbonate. Soda is popular today because its tiny crystals dissolve easily and leave no residue. Just follow these easy directions.

**Polishing paste:** In a jar, mix equal parts of baking soda and warm water. Use the paste to clean tarnished silverware, bathtubs, stainless-steel sinks, and toilets. (Do not use soda on aluminum surfaces because the metal will react and turn black.) To store, cover with plastic wrap.

**Liquid cleaner:** In a squirt bottle or plastic container with a tight lid, mix 2 tablespoons of baking soda with 1 pint of warm water. Use this solution to mop vinyl floors, clean compact disks, or wash windows.

**Sponging:** Sprinkle baking soda onto a damp sponge. Wipe scuffs, stains, or crayon marks from painted walls, laminated countertops, tile surfaces, and appliances, such as the microwave oven, stove top, and refrigerator. Dry with a clean cloth.

They're Back! Those wonderful Church Bulletins! Thank God for church ladies with typewriters. These sentences (with all the BLOOPERS) actually appeared in church bulletins or were announced in church services:

The Fasting & Prayer Conference includes meals.

The sermon this morning: 'Jesus Walks on the Water.' The sermon tonight: 'Searching for Jesus.'

Ladies, don't forget the rummage sale. It's a chance to get rid of those things not worth keeping around the house. Bring your husbands.

Remember in prayer the many who are sick of our community. Smile at someone who is hard to love. Say 'Hell' to someone who doesn't care much about you.

Don't let worry kill you off - let the Church help.

Miss Charlene Mason sang 'I will not pass this way again,' giving obvious pleasure to the congregation.

Next Thursday there will be tryouts for the choir. They need all the help they can get.

Irving Benson and Jessie Carter were married on October 24 in the church. So ends a friendship that began in their school days.

A bean supper will be held on Tuesday evening in the church hall. Music will follow.

At the evening service tonight, the sermon topic will be 'What Is Hell?' Come early and listen to our choir practice.

Eight new choir robes are currently needed due to the addition of several new members and to the deterioration of some older ones.

Scouts are saving aluminum cans, bottles and other items to be recycled. Proceeds will be used to cripple children.

Please place your donation in the envelope along with the deceased person you want remembered.

The church will host an evening of fine dining, super entertainment and gracious hostility.

Potluck supper Sunday at 5:00 PM - prayer and medication to follow.

The ladies of the Church have cast off clothing of every kind. They may be seen in the basement on Friday afternoon.
The Family and the Company

Richard Robert Donnelley and his family played a central role in the growth of the new printing business and assumed a significant position in the social and cultural life of Chicago.

Richard Robert Donnelley was born in 1836 in Hamilton, Ontario, where he gained his first experience as a teenage printing apprentice. After several years in the printing industry in New Orleans, he returned to Canada and married Naomi Ann Shenstone of Brantford, Ontario. Shortly after the couple’s first son, Reuben Hamilton, was born in 1864, the Donnelleys left Ontario and settled permanently in Chicago.

Following Richard Robert Donnelley's death in 1899, his son Thomas E. Donnelley (1867-1955) assumed the presidency of the family company. His talent as a salesman, commitment to quality craftsmanship, and vision led the company into the new century. Reuben H. (1864-1929), the oldest son, took over the company's directory publishing subsidiary, which was incorporated in 1917 as the Reuben H. Donnelley Corporation, an independent publisher of telephone directories.

Lifetime careers in the company were the norm for the third generation of Donnelleys, including T. E.'s sons Elliott and Gaylord and his son-in-law General Charles C. Haffner, Jr. Named chairman of the board in 1952, Haffner headed the company through its period of post-World War II growth. Elliott Donelley, who had entered the company's apprentice school in 1925, returned after World War II to head the Product Development Division and became vice chairman in 1953. Gaylord Donnelley held many positions with the company and was chairman of the board from 1964 to 1975.

Dedication to the company continued in the fourth generation. Charles C. Haffner III and two of Elliott's four sons, Thomas Elliott II and James R., spent their entire careers with the company. In the fifth generation, Niel (James R.'s son) was named an account manager in retail sales, while Matthew (Elliott's grandson) became a manufacturing-manager trainee. Shawn (Gaylord's granddaughter) has also worked for the company.

The Associate Minister unveiled the church’s new campaign slogan last Sunday: ‘I Upped My Pledge - Up Yours.’

I would like to share an experience with you all, about drinking and driving. As you well know, some of us have been known to have had brushes with the authorities on our way home from the odd social session over the years.

A couple of nights ago, I was out for a few drinks with some friends and had a few too many beers and some rather nice red wine. Knowing full well I may have been slightly over the limit, I did something I’ve never done before ... I took a bus home. Sure enough I passed a roadblock but as it was a bus they waved it past.

I arrived home safely without incident, which was a real surprise, as I have never driven a bus before and am not sure where I got it from! If you know of anybody missing a bus please let me know so I can arrange to return it.

RR Donnelley Develops and Deploys New ProteusJet(SM) Multiweb Digital Print Platform for Direct Marketers

Breakthrough Unlocks the Full Potential of Highly Personalized Communications With Superior Image Quality, Expanded Imaging Area and Increased Design Flexibility

CHICAGO, May 2, 2012 (GLOBE NEWSWIRE) -- R. R. Donnelley & Sons Company (Nasdaq:RRD) today announced the development and installation of its new proprietary ProteusJet Multiweb platform, which has been installed in two of the company's direct response production facilities. This next generation piezoelectric 4-color inkjet technology enables direct marketers to use sophisticated 100% customized content and messaging to precisely target consumers for improved ROI.

"Our ProteusJet Multiweb four color print technology is a game changer for marketers who seek to maximize readership, receptivity and results," said Thomas J. Quinlan III, RR Donnelley's President and Chief Executive Officer. "Developing and deploying these exclusive high speed inkjet presses reflect our strategy of offering a compelling digital service to every segment that we serve. The RR Donnelley innovation pipeline continues to deliver winning technologies that expand the range of digitally driven solutions that we can provide."

The unique platform incorporates 2- and 3-web in-line assembly configurations to deliver superior high speed variable imaging quality in full color with crisp high resolution. The platform's image area allows designers to take full advantage of the ability to personalize 4-color content anywhere across the web and also extends the same high quality, 4-color imaging to the in-line envelope. This flexible platform also allows for a hybrid in-line print solution that enables offset to be integrated into the Multiweb imaging line.

Mary Lee Schneider, Chief Technology Officer commented, "Marketers armed with data that identify high potential buyers and prospects have been challenged to address these best producing targets with the personalization and customization that will make their messages even more impactful. Now our proprietary ProteusJet technology makes possible full color variability that dramatically reduces the cost of real customization without sacrificing the quality and impact of full color presentation. This is a huge win for direct marketers."

Increasingly sophisticated data analytics are available to identify direct marketing opportunities. This newest RR Donnelley digital print solution provides an efficient, accurate and compelling medium to allow direct marketers to use those analytics to speak to consumers in the most effective way, based on data-driven business rules.
